Seeking Nominations for the Governor's Points of Light Volunteer Service Awards

(Lincoln, Neb.) There's at least one in every organization – that special volunteer who gives a little more, who is always there, who never gives up. Recognize that person in your community by nominating them for a Governor's Point of Light Award, a statewide collaborative initiative of ServeNebraska and the Office of the Governor.

Go to the ServeNebraska website www.serve.nebraska.gov/awards/awards_governor.htm to download, complete and submit your Governor's Points of Light Award nomination, for someone who has made a big difference to your community! The application deadline is June 15, 2013.

Every quarter, Governor Heineman honors accomplishments of Nebraskans who have given exemplary volunteer service to their communities. Community service may be focused on the city, county or state-level. The nominated activity should be at least one year in duration.

Nominations will be accepted in the following categories:

- Adult: Any individual over the age of 19
- Group: Any volunteer group or group that performs volunteer service
- Youth: Any individual under the age of 19

If you have questions about the awards or nomination process, please contact Kimberle Hall at kim.hall@nebraska.gov or 402-471-6228.

ServeNebraska is the state commission office that manages programs and initiatives to mobilize Nebraskans to get involved with community service and volunteering, including the state AmeriCorps program.
